

4-SAFE-VA

School Safety 101: Basic School Safety Training for School Administrators, Teachers, and Support Personnel

Sponsored by the Virginia State Police

Training Topics

This training focuses on strategies for preventing and responding to crime and violence in schools. This one-day session will highlight topics, including:

- ◇ Changing Trends in School Violence
- ◇ School Safety as a Community Issue
- ◇ Safety Awareness for School Staff
- ◇ Dealing with Aggressive Students
- ◇ Effective Strategies for Dealing with Threats
- ◇ Crisis Management and Planning

Training Dates and Locations

September 28, 2000 – Richmond - John Tyler Community College, Chester Campus

October 17, 2000 – Williamsburg - College of William and Mary

Cost and Registration

This training is offered free of cost and a student workbook will be provided. Meals and all travel expenses are the responsibility of the participant. Class size is limited and registration for this training is on a first come-first serve basis. **Agenda and directions will be faxed to you with confirmation of registration.**

Please fax the attached registration information sheet to 4-SAFE-VA at (804) 674-2640 or mail it to the 4-SAFE-VA Program:
