

THE ROBERT C. BYRD HONORS SCHOLARSHIP PROGRAM

**INSTRUCTIONS FOR SELECTING APPLICANTS
FOR THE 2001 AWARD COMPETITION**

(FOR USE BY HIGH SCHOOL OFFICIALS, STUDENTS,
AND PARENTS/GUARDIANS)

General

The Robert C. Byrd Honors Scholarship Program is designed for graduating high school seniors who have demonstrated outstanding academic achievement. It is a program that promotes student excellence and achievement and recognizes exceptionally able students who show promise of continued excellence. Eligible students are those who will graduate from a public or private secondary school by July, 2001, or who have the equivalent of a certificate of graduation as recognized by the Department of Education. The scholarships, at \$1,500 each, will be awarded for a period of not less than one or more than four years during the first four years of study at an eligible institution of higher education.

In order to be considered for a scholarship under the program, a student must have applied or been accepted for enrollment at a public or private institution of higher education. A student awarded a scholarship may attend any public or private institution of higher education in the United States.

INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED BY THE SELECTION COMMITTEE. A COMPLETE APPLICATION CONSISTS OF THE COMPLETED APPLICATION FORM, A COPY OF THE STUDENT'S TRANSCRIPT, AND THREE LETTERS OF RECOMMENDATION.

AWARD SELECTION CRITERIA AND PROCESS

All awards shall be based on the following:

- an evaluation of the high school transcript and standardized test results;
- an evaluation of the applicant's personal achievements, including, but not limited to, honors, work experiences, and extracurricular activities; and
- school officials' written evaluations.

Award finalists will be selected by a statewide committee of public and private school officials, parents, and others as may be indicated to assure a cross-section representation.

Plans are to notify all finalists of the selection by their date of graduation. However, the scholarships are funded with federal funds, and the state must receive its grant award before we can notify the recipients of the scholarship. Therefore, there is a possibility that students may be notified after graduation rather than before.

NOTE: A student who plans to attend a U. S. Military Academy is INELIGIBLE to receive a Robert C. Byrd Honors Scholarship.

Applications must be received by **March 31, 2001**. They are to be returned to:

Vernon L. Wildy
Associate Director for Secondary Instructional Services
Virginia Department of Education

Nomination Procedures

The maximum number of nominations a school division or a private school may submit shall be based on its grade 12 fall membership, ("Fall Membership in Virginia's Public and Private Schools," 2000-2001). **Public schools will submit their applications to their central office to be forwarded to the Virginia Department of Education so that the total number of applications submitted will reflect the Grade 12 Fall Membership for the division. The central office will submit the completed application(s) to the Department of Education. Any part or parts of the application submitted separately (including letters of recommendation) will cause the application(s) to be rejected. Each school should keep a copy of the application(s) sent from the school.**

The following table is to be utilized for determining the number of possible nominations per school division:
