

Suggested Bundles for Purchase

Building Blocks to the Apple Digital Learning Environment

Virginia Grant Recipients—purchase the new tools of engagement.

- Obtain engaging digital tools that empower students as content creators.
- Experience mobile technologies that extend learning beyond the classroom.
- See how collaborative Web 2.0 tools facilitate cross-discipline, project-based learning.

IT leaders—purchase the tools for powerful Mac integration.

- Fit Macs into existing network infrastructures.
- Enable running Mac OS X, Windows XP, and Windows Vista side by side.
- Put advanced Web 2.0 capabilities to work for your school.

Your Apple team wants to engage you in building the 21st Century classroom, a complete Digital Learning Environment. Here, creation happens as iLife and iWork make podcast creation & multimedia presentation simple and accessible. Here, access happens with powerful mobile solutions like the iPod touch; opening a world of powerful apps and media to every child, even those with special needs. Here, distribution happens with integratable servers and web tools. Here, collaboration happens with Web 2.0 tools like Wikis, Blogs, Website creation, and iChat communication.

Create, Distribute, Access, Collaborate.

Let Apple Education help you meet these goals in the classroom....
