**Background Information and Statutory Authority:**

Goal 1: Considering the requests for a continued rating of *Partially Accredited: Reconstituted School* for schools meeting the reconstitution eligibility rubric criteria will support accountability for student learning.

8 VAC 20-131-300.C.4 (*Regulations Establishing Standards for Accrediting Public Schools in Virginia*) states that a school shall be rated *Accreditation Denied* based on a school's academic performance or performance for the graduation and completion index, or both, a school shall be rated *Accreditation Denied* if it fails to meet the requirements to be rated *Fully Accredited* or *Partially Accredited* for the preceding three consecutive years or for three consecutive years anytime thereafter.

As outlined in 8 VAC 20-131-315. C. Action requirements for schools that are denied accreditation, as an alternative to the memorandum of understanding required for schools rated *Accreditation Denied*, a local school board may choose to reconstitute the school and apply to the Board of Education for a rating of *Partially Accredited: Reconstituted School*. The application shall include specific responses that address all areas of deficiency that resulted in the *Accreditation Denied* status.

If a local school board chooses to reconstitute a school, it may annually apply for an accreditation rating of *Partially Accredited: Reconstituted School* as provided for in 8 VAC 20-131-300.C.3.d The *Partially Accredited: Reconstituted School* rating may be granted for a period not to exceed three years if the school is making progress toward a rating of *Fully Accredited* in accordance with the terms of the Board of Education’s approval of the reconstitution application. The school will revert to a status of *Accreditation Denied* if it fails to meet the requirements to be rated *Fully Accredited* by the end of the three-year term or if it fails to have its annual application for such rating renewed.

As stated in VAC 22.1-253.13:3, the Board’s regulations establishing standards of accreditation shall ensure that the accreditation process is transparent and based on objective measurements and that any appeal of the accreditation status of a school is heard and decided by the Board.

In addition to the Technical Assistance described in the Board materials, school divisions with schools that are approved for a continued rating of *Partially Accredited: Reconstituted School* will be required to continue their agreement with the Superintendent of Public Instruction detailing the Essential Actions that must occur in 2017-2018.
