

Bear and Goose

I am a bear.

I am a goose.

We both do not
like the cold.

I stay inside.

I travel far away.

I sleep.

I fly.

We both try
to stay warm.

I eat to build up fat.

I use my food for energy.

I am alone.

I am with my friends.

Staying away from
the cold is our goal.

I am in a cave.

I am in the sky.

During the winter
we are doing different
things to stay warm.

I hibernate.

I migrate.

I am a bear.

I am a goose.
