

Division Updates for the 2020-2021 School Year

Throughout the 2020-2021 school year, please use this form to notify to the VDOE of substantive changes to your division's instructional modality. This should include changes in instructional modality for one or more grade levels or student groups for more than 4 weeks.

You will be asked to upload revised health and instructional plans as part of this submission.

Please do not use this form to notify us of temporary closures related to known or suspected COVID-19 cases.

*** Required**

1. Division Name *

2. Division Point of Contact (Name and Title) *

3. Division Point of Contact (Email and Phone Number) *

4. Please describe the nature of the instructional modality change in your division. Include the following: (1) what will change; (2) to whom does it apply; (3) when does it go into effect; and (4) how long do you anticipate it will be in place? *

5. Please describe the reason and justification for the change. *

6. When local public health conditions permit, the state's phase guidance recommends divisions prioritize in-person instruction options to learners for whom virtual or remote is least effective. Under your new plan, will any of the following student groups be provided options for in person instruction? *

Check all that apply.

- Students with disabilities
- Young learners (PreK - Third Grade)
- English learners
- Other
- None of the above

7. Please summarize changes made to your health plan and cite the pages on which those changes can be found in the uploaded file. *

8. Revised Health Plan

Files submitted:

- 9. Please summarize changes made to your Instructional plan and cite the pages on which those changes can be found in the uploaded file. *

- 10. Revised Instructional Plan

Files submitted:

- 11. Is your instructional plan posted online for public viewing? If so, please provide the link. If not, please identify where and when it will be posted. *
